10.06 **Carry Over of Annual Paid Vacation Leave**

10.07 **Vacation Scheduling - General**
(a) Operational requirements shall be the governing factor in approving vacation requests.

(b) The Employer shall post vacation entitlement and vacation schedules giving preference of vacation times, wherever possible, to Nurses with greater Seniority within the Facility at which the Nurse is regularly scheduled.

(c) Seniority may not be exercised to displace a posted vacation.

(d) No Nurse shall normally be granted vacation between December 15 and January 10, provided however where, in the opinion of the Employer, there are exceptional circumstances and the vacation leave would not affect operational needs/efficiency, then the Nurse may be granted vacation during this period.

(e) Subject to operational requirements and operational efficiency, it shall be permissible for Nurses to take vacation time in small allotments.

10.08 **Summer Vacation Scheduling**
(a) Vacations between June 15 and September 15 must be requested in writing before April 15.

10.09 **Other Vacation Scheduling**
Except in extraordinary circumstances, requests for vacation time other than during June 15th to September 15th, must be submitted in writing at least two (2) weeks prior to the posting of the schedule covering the vacation time requested. The Nurse shall be notified at least one (1) week in advance of the vacation time if the vacation has been approved.

10.10 **Sick Leave During Vacation**
Sick leave may be substituted for vacation interrupted where it can be established by the Nurse to the satisfaction of the Employer that an illness or accident occurred prior to vacation and that illness or accident was such that the vacation of the Nurse was interrupted.

10.11 **Annual Vacation Cancellation**
The Employer will make every reasonable effort not to require a Nurse to return work after she/he has commenced paid vacation leave. The Nurse returning to work during paid vacation leave, shall be paid two times (2 x) her regular hourly rate for the shift(s) worked on the days that had been scheduled vacation leave. The vacation credits shall not be reduced for the previously scheduled vacation time that was rescheduled to work. 10.20 **Holiday and Sick Leave Pay**
A Nurse who is scheduled to work on the calendar date of a Holiday and who is unable to report for work due to illness or injury shall receive sick leave pay for those hours she or he was scheduled to work that day provided the Nurse has adequate sick leave credits. The holiday credits of the Nurse will not be reduced.

10.21 If a Regular or Temporary Nurse had booked any paid Holiday Leave credits for use on a recognized Holiday where the Nurse ended up working on that recognized Holiday, the Nurse is entitled to reschedule the paid holiday leave credits for use at a later time.

ARTICLE 11   SENIORITY, LAY OFF, RECALL

11.01 (a)  Regular Seniority
Seniority for a Regular Nurse commences on the date of the first shift worked as a Regular Nurse in the Bargaining Unit and shall operate on a Region wide basis unless otherwise specified in the Collective Agreement.

(b)  Casual Seniority
Casual Seniority shall apply to a Casual Nurse (including a Casual Nurse in a Temporary Position) and is defined as the hours worked by a Casual Nurse from the date of the first shift worked in the Bargaining Unit and shall operate on a Regional wide basis. A record of hours worked by a Casual Nurse shall be kept by the Employer. This record shall constitute the Casual Seniority List.

(c)  Casual Nurse in a Temporary Position appointed to a Regular Position
Where a Casual Nurse in a Temporary Position is appointed directly to a Regular Position, Regular Seniority shall be deemed to be the first day of continuous service in a Temporary Position. “Appointed directly” shall mean appointment without an interruption for longer than fourteen (14) calendar days.

(d)  Same Date Seniority

(i) Regular Nurses
In the event that two or more Regular Nurses commence work in the Bargaining Unit on the same date, the Nurses’ placement on the Seniority list shall be determined by random draw.

(ii) Casual Nurse
In the event that a Casual Nurse becomes a Regular Nurse and the subsequent conversion of hours results in the same Seniority date as a current Bargaining Unit member(s), the Casual Nurse who has converted his/her hours shall be placed on the Seniority list below the other pre-established Bargaining Unit member(s) with the same Seniority date.

(iii) Where the Seniority date in the Region of two or more Nurses is the same, the determination of Seniority within that group shall be resolved by the drawing of lots. The draw will be witnessed by a President of one of the appropriate Local Unions, or designate and the General Manager or designate.
11.02 Seniority Conversion
(a) A Nurse who changes employment status from Regular to Casual shall have the Nurse’s Regular Seniority converted to hours paid on the basis of one (1) year of Casual Seniority equalling 4950 2080 hours paid and shall then accumulate further Casual Seniority on the basis of regular hours paid.

(b) A Casual Nurse while working in a Temporary Position shall have hours paid while in the Temporary Position accumulate on the Casual Seniority list.

(c) A Nurse hired to a Temporary Position shall be a Casual Nurse and accumulate Casual Seniority for the hours paid in the Temporary Position. In the event the Nurse becomes a Casual Nurse and continues in an employment relationship at the completion of the temporary period the Casual Seniority shall continue to accumulate.

In the event that a Casual Nurse becomes a Regular Full-Time or Regular Part-Time Nurse, her Casual Seniority earned shall be converted to Regular Seniority on the basis of one (1) year of Seniority for each 4950 hours of Casual Seniority, pro-rated as required. She shall then accumulate further Regular Seniority from the length of her employment as a Regular Part-Time or Regular Full-Time Nurse. For clarification, Casual Nurses cannot convert more than 2080 hours of Casual Seniority for each year of employment regardless of the number of Casual Hours worked in any one (1) year.

11.03 Seniority Lists
(a) The Employer shall post a current Regular Seniority List for Regular Nurses (with separate lists for Registered Nurses and Licensed Practical Nurses as appropriate Region) and a Casual Seniority List for Casual Nurses (with separate lists for Registered Nurses and Licensed Practical Nurses) annually in February for thirty (30) days and provide a copy of same to the Local Union.

(b) Should the Union, Local Union, or any Nurse allege an error in a Seniority List, a written objection must be sent to the Employer within thirty (30) days of the date the Seniority List in question was first posted by the Employer. All corrected or final Seniority Lists will be provided by the Employer to the Local Union and shall be deemed to be correct and accurate in all respects.
A record as to the hours worked by Casual Nurses shall be maintained by the Employer and be made available to a Labour Relations Representative of the Union. This record shall constitute the Casual Seniority List.

11.04 Loss of Seniority and Employment

A Nurse shall lose both Seniority and employment in the event that:

(a) The Nurse is discharged for just cause and is not reinstated.

(b) The Nurse resigns or retires from employment.

(c) After recall, the Nurse fails to notify the Employer as set out in lay off provisions unless such notice was not reasonably possible.

(d) The Nurse is laid off for more than two (2) years, subject to layoff provisions.

(e) The Nurse is absent from work in excess of three consecutive scheduled shifts or more without sufficient cause or without notifying the Employer, unless such notice was not reasonably possible.

(f) The Nurse who retires from employment loses employment and Service, but if within six months of the retirement, the Nurse returns to work in any Bargaining Unit represented by the Nova Scotia Nurses’ Union, the Nurse will maintain the Seniority the Nurse had prior to retirement and may accumulate additional Seniority on Regular basis depending on the status of the appointment after retirement.

(g) The Nurse fails to return from an approved leave of absence, without notifying the Employer unless such notice was not reasonably possible or takes unauthorized employment while on an approved leave of absence.

11.05 Loss of Seniority

(a) A Nurse shall lose Seniority in the event that the Nurse has accepted a temporary position with the Employer outside of the Bargaining Unit, or has been granted a leave of absence from the Nurse’s Bargaining Unit position to accept a permanent position with the Employer and remains outside of the Bargaining Unit for more than fifty-six (56) weeks.

(b) In the event that an appointment to a position, as described in Article 11.05 (a), outside the Bargaining Unit is to be longer than specified above, extensions shall only be permissible with the agreement of the Bargaining...
Unit representatives of the Union Management Consultation Committee. Such agreement shall not be unreasonably denied.

(c) A Nurse must return to and remain in the Bargaining Unit for a period of at least one (1) month before being employed by the Employer in a position outside of the Bargaining Unit again or she/he will lose all Seniority held at the time of the subsequent transfer.

(d) In order to maintain and to continue to accrue Seniority under this provision, the Nurse must agree to pay Union dues for each month she or he is appointed to a position, as described in Article 11.05 (a), with the Employer outside of the Bargaining Unit following a period of fifty-six (56) weeks.

The provisions of this Article 11.05 are not applicable to a Casual Nurse (except a Casual Nurse while in a Temporary Position).

11.06 Definition of Layoff
A lay-off shall be defined as a reduction in the work force or a reduction in a Nurse's guaranteed hours of work.

The provisions of Articles 11.06 to 11.12 inclusive are not applicable to a Casual Nurse.

11.07 Layoff and Recall
In the event of layoff at a Long-Term Care Facility listed on Appendix “E”, Nurses shall be laid off in reverse order of Seniority within that Region and recalled in order of Seniority within that Region. However, Seniority may be bypassed where the Employer establishes that special skills and/or qualifications are required.

11.08 Notice of Layoff
(a) Twenty-eight (28) days' written notice of layoff shall be given to the President of the Local Union and to the Provincial office of the Nova Scotia Nurses' Union except layoff which results from labour disputes or unforeseen circumstances beyond the control of the Employer in which case as much notice as possible will be given.

(b) The Employer will consult with the Union representatives regarding ways to minimize the adverse effect on the Nurse(s) to be laid off. The Employer may consider additional options presented by the Union. The application of additional options where agreed by the Union and the Employer shall be deemed to not violate the Collective Agreement.
Twenty-one (21) days’ written notice of layoff shall be given to the affected Nurses except layoff which results from labour disputes or unforeseen circumstances beyond the control of the Employer at which time as much notice as possible will be given.

11.09 The Employer shall not post or fill vacancies that arise until Nurses on layoff have been considered for such vacancies.

11.10 The Employer will provide available options to Nurses in receipt of layoff notices (by order of seniority) including regular and temporary vacancies that have not been filled. Nurses shall have forty-eight (48) hours to consider available options and to notify the Employer in writing of his or her choice.

11.11 **Working During Layoff**

(a) Any Nurse who is on layoff may indicate her availability to work relief shifts. A Nurse’s layoff status shall not change while working relief shifts. The total of the days worked in relief shifts or in Temporary Positions of six (6) months or less shall extend the recall period by that total.

(b) A Nurse recalled to a Temporary Position of greater than six (6) months shall commence a new recall period at the conclusion of the temporary assignment.

11.12 **Recall From Layoff**

A Nurse on layoff shall be notified of opportunities for recall in the most expeditious manner possible including telephone, fax, and in person. A formal verification in writing will be provided where the initial contact of recall is other than in writing. Nurses are responsible for leaving their current address and telephone number(s) with the Employer.

11.13 **Recall – Accept or Decline**

The Nurse shall indicate their intention to accept or decline the recall opportunity to the Employer within forty-eight (48) hours of receipt of the recall notice. If the Nurse accepts the recall, the Nurse must be available to return to the Employer within two (2) weeks of the notice of recall unless another time period is mutually agreeable between the Nurse and the Employer.

If the Nurse rejects the opportunity for recall the Nurse shall continue on the layoff list if the recall was for a position with fewer hours or a lower rate of pay. In these circumstances, three refusals of recall will result in the Nurse being removed from the recall list and forfeiture of the right of recall.
If the Nurse rejects the opportunity for recall and the position was equivalent to their former position, the Nurse will be removed from the recall list and will forfeit the right of recall.

11.14 **New Employees**
No Nurse outside the Bargaining Unit shall be employed until all those have been laid-off have been given an opportunity for re-employment, up to the level of guaranteed hours before layoff, except where the Employer established the need to recruit those with special skills and/or qualifications.

11.15 Laid-off Nurses shall be recalled in order of Seniority within the Region to fill vacancies.

**ARTICLE 12  VACANCIES AND PROMOTIONS**

12.01 **Posting**
Where a vacancy occurs, a new position is created within the Bargaining Unit or a temporary position exists as the result of a leave of absence of eight (8) weeks or more, a notice shall be posted at all Long-Term Care Facilities within the applicable Region as soon as possible after the Employer has determined that the vacancy exists and such notice shall be posted for a period of ten (10) calendar days. All applications for vacancies will be in writing. The name of the successful candidate shall normally be provided to the President of the Local Union within fourteen (14) calendar days of the appointment to the position.

12.02 **Selection**
In the selection of applicants for posted vacant positions in the Bargaining Unit, primary consideration shall be given to skill, ability and qualifications to perform the required duties. If skill, ability and qualifications are relatively equal, Regular Seniority within the applicable Region shall prevail.

12.03 If the Employer does not intend to fill a vacancy it shall notify a Labour Relations Representative of the Union.

12.04 **Trial Period**
(a) The Nurse shall be placed on a trial period for five hundred and twenty-eight (528) hours worked in the new position. If the Nurse proves unsatisfactory in the new position, or chooses to return to the Nurse’s former position, during the aforementioned trial period, the Nurse shall be returned to the Nurse’s former position and salary, without loss of Seniority, and any other Nurse promoted or transferred because of the rearrangement of positions shall be returned to their former position and salary without loss of Seniority.
(b) Conditional on satisfactory performance of duties, such trial appointments shall become permanent after the period of five hundred and twenty-eight (528) hours worked. The Employer may not extend the trial period for a period greater than two hundred and sixty-four (264) hours worked. In such case the Employer will provide written notice to the Nurse affected by the extension, a Labour Relations Representative of the Union and any other Nurse(s) originally promoted or transferred in this appointment process.

12.05 Orientation
The Employer shall provide planned and paid Orientation Programs of such content and duration as it deems appropriate taking into consideration the needs of the Employer and the Nurses involved. Such Nurses will not be considered part of core staffing during their Orientation Program nor will they be provided with primary assignments.

12.06 Employment At Another Shannex Facility
A Nurse seeking employment at another Shannex facility not listed in Appendix “E” may request that copies of her personnel file be forwarded to the other facility and the Employer will facilitate this request.

12.07 Preceptorship
The Parties recognize and acknowledge that every Nurse has a professional responsibility to participate in preceptor, mentor and orientation duties as required by the Employer.

The Employer will provide supports for students, New Graduates and new staff that will make use of models such as preceptorship, mentoring, and orientation. The use of any of these models and approaches will be determined by the Employer based on the needs of the Nurses.

(b) A pregnant Nurse shall, no later than the fifth (5th) month of pregnancy, forward to the Employer a written request for pregnancy leave.

(c) The Employer may, prior to approving such leave, request a certificate from a legally qualified medical practitioner stating that the Nurse is pregnant and specifying the expected date of delivery.
(d) Pregnancy leave shall begin on such date as the Nurse determines, but not sooner than sixteen (16) weeks preceding the expected date of delivery nor later than the date of delivery.

(e) Pregnancy leave shall end on such date as the Nurse determines, but not later than fifty-two (52) weeks following the date of delivery, nor sooner than one (1) week after the date of delivery.

(f) Nurses on pregnancy leave shall not accrue hours worked for the purposes of vacation, sick time, or holidays. A Nurse who is receiving compensation under Article 13.04 (b) and 13.06 (b) shall accrue benefits based on the hourly equivalent of the “top-up” compensation.

(g) The clauses of this Article shall be considered as being automatically amended should applicable legislation be changed to provide benefits more favourable to the Employees than those contained herein.

13.02 Pregnancy Leave Notice
(a) A pregnant Nurse shall provide the Employer with at least four (4) weeks notice of the date the Nurse intends to begin pregnancy leave. Such notice and start date of the leave may be amended:

(i) by changing the date in the notice to an earlier date for medical reasons as verified by the Nurse’s attending physician. In such cases the Nurse will provide as much advance notice of the revised start date of the leave as is possible; or,

(ii) by changing the date in the notice to an earlier date for personal reasons if the notice is amended at least four (4) weeks before the originally selected date; or,

(iii) by changing the date in the notice to a later date if the notice is amended at least four (4) weeks before the original date.

(b) Where notice as required under Article 13.02 (a) is not possible due to circumstances beyond the control of the Nurse, the Nurse will provide the Employer as much notice as reasonably practicable of the commencement of the Nurse’s leave or return to work.

(c) The Employer shall not terminate the employment of a Nurse because of the Nurse’s pregnancy.
13.03 **Pregnancy Leave – Employer Requirement**

The Employer may require a Nurse to commence a leave of absence without pay where the Nurse’s position cannot be reasonably performed by a pregnant woman or the performance of the Nurse’s work is materially affected by the pregnancy. Such action shall not be taken until the Nurse has been advised of the Employer’s concerns and is provided with the opportunity to furnish medical evidence establishing the Nurse’s ability to work.

13.04 **Pregnancy Sick Leave**

Leave for illness of a Nurse arising out of or associated with a Nurse’s pregnancy prior to the commencement of, or the ending of pregnancy leave in accordance with Article 13.01, may be granted sick leave in accordance with the provisions of the Collective Agreement.

This provision is not applicable to a Casual Nurse (except a Casual Nurse while in a Temporary Position).

13.05 **Pregnancy/Birth Allowance**

(a) A Nurse entitled to pregnancy leave under the provisions of this Agreement, who provides the Employer with proof that she has applied for, and is eligible to receive employment insurance (E.I.) benefits pursuant to Section 22, *Employment Insurance Act*, S.C. 1996, c.23, shall be paid an allowance in accordance with the Supplementary Employment Benefit (S.E.B.).

(i) Where the Nurse is subject to a waiting period of two (2) weeks before receiving E.I. benefits, payments equivalent to seventy-five per cent (75%) of her weekly rate of pay for each week of the two (2) week waiting period, less any other earnings received by the Nurse during the benefit period;

(ii) Up to a maximum of five (5) additional weeks, payments equivalent to the difference between the weekly E.I. benefits the Nurse is eligible to receive and ninety-three per cent (93%) of her weekly rate of pay, less any other earnings received by the Nurse during the benefit period which may result in a decrease in the E.I. benefits to which the Nurse would have been eligible if no other earnings had been received during the period.

(c) For the purpose of this allowance, a Nurse’s weekly rate of pay will be one-half (½) the bi-weekly rate of pay to which the Nurse is entitled for her
level on the increment scale and her position or classification on the day immediately preceding the commencement of the pregnancy leave. In the case of a Part-Time Nurse, such weekly rate of pay will be multiplied by the fraction obtained from dividing the Nurse’s hours paid averaged over the preceding twenty-six (26) weeks by the regularly scheduled full-time hours of work for the Nurse’s classification. For the purposes of this calculation the hours used for a Part-Time Nurse shall be the actual hours paid, or the hours based on the current appointment status of the Part-Time Nurse as a percentage of full-time hours, whichever is greater.

(d) Where a Nurse becomes eligible for a salary increment or pay increase during the benefit period, benefits under the S.E.B. plan will be adjusted accordingly.

(e) The Employer will not reimburse the Nurse for any amount she is required to remit to Human Resources Development Canada, where her annual income exceeds one and one-half (1½) times the maximum yearly insurable earnings under the *Employment Insurance Act*.

(ii) Up to a maximum of ten (10) additional weeks, payments equivalent to the difference between the weekly E.I. benefits the Nurse is eligible to receive and ninety-three per cent (93%) of her/his weekly rate of pay, less any other earnings received by the Nurse during the benefit period which may result in a decrease in the E.I. benefits to which the Nurse would have been eligible if no other earnings had been received during the period.

(c) For the purposes of this allowance, a Nurse’s weekly rate of pay will be one-half (½) the bi-weekly rate of pay to which the Nurse is entitled for her level on the increment scale and her position or classification on the day
immediately preceding the commencement of the adoption leave. In the case of a Part-Time Nurse, such weekly rate of pay will be multiplied by the fraction obtained from dividing the Nurse’s hours paid averaged over the preceding twenty-six (26) weeks by the regularly scheduled full-time hours of work for the Nurse’s classification. For the purposes of this calculation the hours used for a Part-Time Nurse shall be the actual hours paid, or the hours based on the current appointment status of the Part-Time Nurse as a percentage of full-time hours, whichever is greater.

If a Nurse is entitled to pregnancy/birth or parental, or adoption leave and the child to whom the leave relates is hospitalized for a period exceeding or likely to exceed one week, the Nurse is entitled to return to and resume work and defer the unused portion of leave until the child is discharged from the hospital, upon giving the Employer reasonable notice.

13.09 Return To Work
A Nurse on Pregnancy/Birth or Parental, or Adoption Leave must provide a minimum of four (4) weeks notice of his or her intended date to return to work, or such shorter period of notice as mutually agreed between the Employer and the Nurse. When a Regular Nurse reports for work upon the expiration of Pregnancy/Birth or Parental, or Adoption Leave, the Regular Nurse shall resume work in the position held by the Nurse immediately before the Leave began or where that position is eliminated, in a comparable position within the site. A Nurse shall be entitled to the appropriate level on the increment scale and benefits, with no loss of benefits accrued to the commencement of the leave.
13.10 **Service and Seniority Continuation**

APPENDIX “H”
DEFERRED SALARY LEAVE PLAN

A deferred salary leave plan will be available for employees who are interested in participating. The Parties agree that the plan may be discontinued by the Employer at any time. At the time of discontinuance, Nurses already approved in the plan will be able to take their leave.

The plan is flexible. The Nurse and the Employer may agree to defer any fixed percentage of salary to correspond to the number of years of deferral in order to finance the leave.

Any regular full time or part time Nurse is eligible to participate in the plan, provided the Nurse has been employed for a minimum of two (2) years. Casual Nurses are excluded from participation in this plan.

A Nurse may make written application to the administrator at any time requesting permission to participate in the plan.

Written acceptance or denial, with explanation of the request, shall be forwarded to the Nurse within thirty (30) days of receipt of application.

In each year of the plan, preceding the year of the leave, a Nurse shall be paid a reduced percentage of the Nurses’ applicable annual salary. The remaining percentage of annual salary shall be deferred and this accumulated amount plus interest earned shall be retained for the Nurse by the Employer to finance the year of the leave.

The deferred income for each Nurse shall be managed by Shannex Health Care. Interest will be paid by using the current applicable bank savings rate.

The Employer shall provide the Nurse enrolled in the plan with a statement of amount deferred and interest earned each year.

While a Nurse is enrolled in the plan, and not on leave, any benefits tied to salary level shall be structured according to the salary the Nurse would have received had she not been enrolled in the plan.

Each participant in the plan shall notify the Employer, in writing, four (4) weeks in advance of the commencement of their leave, whether or not the Nurse wants benefits such as Blue Cross, etc. to continue during the leave. The premium costs of all benefits shall be paid by the Nurse during the year of the leave.
While on leave, any benefits tied to salary leave shall be structured according to the salary the Nurse would have received in the year prior to taking the leave had she not been enrolled in the plan.

Sick leave credits shall not accumulate and cannot be used during the year spent on leave.

Vacations earned in the year prior to the leave will be granted in the year following the leave.

The monies accumulated plus interest shall be paid biweekly to the Nurse.

On return from leave, a Nurse shall be assigned to his/her former or equivalent position.

A Nurse may withdraw from the plan any time prior to 90 days of the calendar year in which the leave is to commence. Any exceptions to the aforesaid shall be at the discretion of the Employer.

If a Nurse withdraws, the Nurse shall be paid a lump sum adjustment equal to any monies deferred plus interest accrued. Repayment shall be made as soon as possible within 90 days of withdrawal from the plan.

Should a Nurse die while participating in the plan, any monies accumulated plus interest accrued at the time of death shall be paid to the Nurse’s estate.

All Nurses wishing to participate in the plan shall be required to sign the attached contract before final approval for participation is granted.

There will be an administrative fee of not more than fifty dollars ($50.00) per year taken from the deferred salary leave monies.

Once entered into, the contract provisions concerning percentage of salary and year of leave may be amended by mutual agreement.

This agreement shall be in compliance with the Income Tax Act.

The Nurse can only take subsequent leaves, after the first leave, every five years.

Each Nurse agrees to continue their employment for at least one (1) full year following the leave.
