1. Accordingly, a Regular Nurse who seeks a temporary or permanent reduction in hours of work and appointment status will seek the approval of the Employer by indicating the amount of reduced hours the Nurse seeks and the duration of such reduced hours. The duration of a temporary reduction in hours must be specified and must not exceed one (1) year.
2. Approval by the Employer shall be discretionary and will ensure that the request will not adversely impact operational requirements of the Employer. Such requests shall not be unreasonably denied.
3. The Employer will notify the Local Union of an approved request. In addition, the Employer will advise the Local Union of either its intention to post the remaining hours or part time equivalent of full-time hours within a reasonable time frame, pursuant to the provisions of Article 12, or to hold the posting. If the Employer intends to hold the posting, it shall also provide the reason(s) for doing so.

LETTER OF UNDERSTANDING #1

Working Conditions

If, under Article 7.02, 7.03 or 10.13, the Employer changes working conditions from the present practice, the Nurse or Nurses involved and the Union shall be given at least one (1) month's notice, except in emergency or unforeseen situations. In such situations as much notice as possible will be given. The Employer agrees to discuss the reason for such changes with the Nurses affected by the change.

LETTER OF UNDERSTANDING #2

Layoffs

The purpose of this document is to outline the procedure to be followed in assigning work where members of the Union Bargaining Unit have been laid off.

It is understood that the provisions outlined in this document will be applied despite any requirements to the contrary which may exist in the Collective Agreement.

The procedure is as follows:

1. Layoffs will be done by Seniority within each classification. This means that where a staff reduction in any particular classification results in a layoff, the least senior Nurse (or Nurses) in that classification will be first to be laid off.
2. Where, as part of a lay off, a position is eliminated in a particular classification, the Nurse initially affected shall be given the option of displacing the least senior Nurse in that classification. The Nurse with the least Seniority will in turn be laid off.
3. A Nurse on lay off will be offered the first opportunity to work any additional shifts that arise on any nursing unit that the Registered Nurses already assigned to that unit do not wish to work. This provision will not apply where the laid off Nurse in question has already worked, in a given pay period, up to the same number of hours she or he would have worked in the position they held prior to the layoff.
4. Subject to the limitations outlined in this paragraph, when a Nurse on lay off accepts these additional shifts they will be treated in the same way as a Regular Part-Time Nurse under the collective agreement. This means that, with the

exception of the pension plan, the long term disability plan, the extended health plan and the life insurance plan, these Nurses will be entitled to the benefits of the Collective Agreement on a prorated basis.

5. For the purposes of the time period outlined in paragraph 4 of Article 11.03 of the Collective Agreement only, time worked by a laid off Nurse on these additional shifts will be treated as a break in the period of lay off.
6. If vacancies arise in the Bargaining Unit during the time that a Nurse is on lay off, they will be posted in accordance with Article 12.00 of the Collective Agreement. If a laid off Nurse applies for a posted vacancy, and accepts an appointment to the position, and the position is in a classification other than the one they were in at the time of the lay off, this will result in the forfeiture of any further rights of recall to their former position and, in addition, this Letter of Understanding will have no further application to them.
7. If a laid off Nurse applies for a posted vacancy and accepts an appointment to the position and the position is in the same classification, and is fewer hours than the position she or he held prior to the lay off, she shall be entitled to the recall provisions outlined in Articles 11.05 and 11.06 of this Agreement. These recall rights shall be applicable only up to the number of hours worked in the former position held by the Nurse.

LETTER OF UNDERSTANDING #3

Weekend Nurse

The Parties agree that, as soon as reasonably possible following the signing of the Collective Agreement, a process will be agreed upon for discussion and development of a Memorandum of Agreement, if possible, to regulate the Weekend Nurse. The principles relied on by the Parties during such discussions will be as follows:

1. The Weekend Nurse concept will be introduced by the Employer on a Trial Basis. The Trials may be attempted at more than one work site by the Employer. The Employer agrees to initiate a Trial by a canvass of the Nurses.
2. Weekend Nurse positions are to be posted as determined by the Employer. The trial period provision of the Collective Agreement as set out in Article 12.03 shall apply. If the Nurse's trial period or the Weekend Nurse Trial does not work out, the Nurse will revert to pre-trial status as indicated in Article 12.03.
3. The Weekend Nurse position will be integrated into the unit schedule planning (core staffing).
4. The Weekend Nurse shall be a Full-Time Nurse position.
5. The rotation of a Weekend Nurse shall normally be comprised of four (4) shifts of eight (8) hours per week (evenings/nights). In any rotation the combination of weekend hours worked will provide an average of thirty-two (32) hours worked (including meal breaks) each weekend.

6. Weekend Nurses shall be scheduled to attend work for thirty-two (32) hours (including meal and rest breaks) on a weekend; and be paid for 40 hours (work 80% of the hours of a Full-Time Nurse and be paid 100% pay of a Full-Time Nurse.)
7. For the purposes of the Weekend Nurse rotation only, the weekend period shall be 2300 hrs. Thursday to 2300 hrs. Monday.
8.
 - (a) The concept of “method of pay” is to be examined by the Employer to determine the options. The option of paying an adjusted hourly rate for the hours worked (ie. 125% of the regular rate) or permitting an “automatic assumption” where the Nurse works thirty-two (32) hours and is deemed for the purpose of pay to have worked forty (40) hours, will be decided by the Employer.
 - (b) It is recognized that in the case of an adjusted hourly rate as above, the benefits of the Collective Agreement that accumulate on the basis of regular hours paid will be accrued at an accelerated rate for each hour worked so that the benefits accumulated by the Full-Time Weekend Nurse shall equal the benefits accumulated by the Regular Full-Time Nurse. Similarly the Weekend Nurse that accesses such accumulated benefits shall have the rate of utilization equally accelerated so that the time off periods for the Full-Time Weekend Nurse shall equal that of the Regular Full-Time Nurse.
9. Weekend Nurses shall be eligible for education premiums in accordance with Appendix B but shall not be entitled to shift premiums or weekend premiums for work on the weekend.

10. The Weekend Nurse shall be entitled to participate in the Benefit Plans (subject to the eligibility provisions of the respective Benefit Plan) on the basis of a Full-Time Nurse.
11. Should a Weekend Nurse work beyond the scheduled shift on the weekend , the Weekend Nurse will be entitled to be paid overtime as set out in Article 7.04 and the hourly rate shall be based on the Regular Nurse's applicable hourly rate. [note: this hourly rate may be the Weekend Nurse hourly rate depending on the method of compensation under 8(a) above] .
12. A Weekend Nurse who works shifts beyond his or her regular schedule shall be compensated at the overtime rate of pay based on the applicable hourly rate for a Regular Full-Time Nurse (not a Weekend Nurse).
13. The length of the Weekend Nurse Trial Basis will be established on a site basis and can be discontinued on a site basis upon written notice of the one Party to the other Party of at least sixty (60) days. The Parties will meet within twenty (20) days of the notice being given to discuss the reasons for the change and the reintegration of Nurses into alternate schedules, where applicable.
